Dear Chair Craven and the House Judiciary Committee and Clerk,

On behalf of the RI Coalition Against Domestic Violence, its member agencies, and SOAR, a task force of survivors of domestic violence, we would like to express our support for **H 5386, which strengthens straw buyer laws; 5553, which requires safe firearm storage in RI homes; 5555, which prohibits firearms on school grounds; H 5554, which limits firearm magazine capacity to 10 rounds or less; and 5556, which restricts possession and sale of new assault weapons.** Attached you will find written testimony supporting this legislation addressed to the full House Judiciary Committee. If you have any questions, please feel free to contact John Wesley, Director of Policy and Advocacy, and Tonya Harris, Executive Director of the RICADV (both copied on this email).

Sincerely,
